We also keep an up-to-date record of staff qualifications and maintain a training development plan.

Appraisals and reviews

The manager will hold an annual appraisal meeting with individual staff. The appraisal will reflect on progress and challenges over the previous year and identify current knowledge and skills, areas for future development and potential training needs.

The manager will hold Termly reviews with staff to monitor their professional development and their progress with regards to the targets set, and issues raised, during their annual appraisals.

Training

The manager will identify and promote suitable training courses for staff so that they can expand their professional development and keep their knowledge of child/young people care and play work issues up to date. Staff are expected to attend training courses as and when requested by their manager.

Staff meetings

Staff meetings provide a forum in which staff can share information, solve problems and raise work issues. Staff meetings are held at the beginning of each term and through technology/face to face if possible
